We are pleased to announce our

MONTESSORI SUMMER DAY CAMP

A unique combination of our Montessori program, summer camp activities, sports, and field trips to the many cultural sites of New York City!

- Arts and crafts
- Indoor Gardening
- Foreign Language
- Music and Movement
- Public Speaking
- Yoga*
- Cooking
- Hands-On Science
- Organized Games
- Academic tutoring
- Swimming Lessons*
- Bowling*
- Ice Skating*
- Chess*
- Test Prep
- End-of Summer Talent Show

Children will enjoy field trips related to the weekly themes, that include destinations such as The Museum of Natural History, The Smithsonian American Indian Museum, The Bronx Zoo, The New York Aquarium, and The New York Public Library to name a few. These field trips allow the children to enjoy some of the many cultural experiences NYC offers, as well as help the campers to further their understanding of the topics being studied.

Preschool children have the opportunity to work on reading and math skills individually with our teachers. Since the summer is too long to go without academics, Elementary campers can participate in individual academics, and/or test preparation for admission into Gifted programs or Specialized High Schools, or ERBs/ISEEs.

Children bring lunch from home except on Fridays when we provide a BBQ lunch to which the parents contribute.

Summer Camp ends with our traditional end-of-camp Talent Show where the children will perform individually, as well as with their groups, for awards and prizes!

Children enrolled for the summer are given preference for September admission. Summer will also give those unable to attend the Fall session an opportunity to experience at least a short Montessori term. Children usually find the summer program an exciting experience and an easy transition between home and school!

*Optional activity that requires an additional fee.
